MEMORANDUM

TO: Director of Central Intelligence

FROM: [REDACTED]

SUBJECT: Your meeting with McIntyre on February 28th.

I talked with Randy Jayne about the Tuesday meeting Monday evening. The subject of the meeting, of course, will be the additional numbers for the NFIB. As Randy described it, the issue will be simply whether your recollection of the meeting at which the decisions were made corresponds to McIntyre's or Brzezinski's. McIntyre will have before him a memo with four sets of numbers on it:

1. The 1979 budget plus enough to offset inflation
2. The 1979 budget plus growth at the same rate as DoD
3. The 1979 budget plus growth at the same rate as DoD plus an additional 1 percent per year in 1980 or 1981 to cover the NRP bow-wave
4. Your going-in numbers as of November 15

My guess of what these numbers look like is:

1980

1981

1982

1983
